

**PUT MORE GREEN IN  
YOUR POCKET.**

# Go paperless for a chance to win \$500!

You've seen how going paperless can make a positive environmental and financial impact to you and the planet. Now we're giving you a chance to put more green in your pocket with our Go Paperless sweepstakes. When you turn off paper delivery of at least one type of letter using the Paperless Delivery Options tool on Link,\* your organization will automatically be entered in our monthly drawing to win \$500. The sweepstakes runs until May 31, 2019. There are six monthly drawings, so the sooner you go paperless the more chances you have to win. Go to **[UHCprovider.com/paperless](http://UHCprovider.com/paperless)** for official rules and details.

## Why Should I Go Paperless?

**How much time and money does your organization spend opening, routing, storing and disposing of the mail you receive?** Just think how much you could save if you turned off mail delivery and viewed UnitedHealthcare letters online. Anyone on your team can access the letters in Document Vault and they can be saved right to your computer.
