Daily ADT Reports

OPNS publishes daily ADT reports on PD Focus. These ADTs include data from facilities throughout the state of Michigan. The information provided on the ADT reports can help you follow up on your hospitalized patients (IP/ER).

Major ADT Report enhancements are coming soon! OPNS will alert you when these changes will take place.

Physician Direct Focus Attribution

OPNS is in the process of enhancing the attribution model within the registry. We greatly appreciate your feedback. Please continue to send real patient examples to the OPNS Informatics team to get these issues resolved.

**** Please Fax record to 248-682-6044 with attention OPNS Informatics to ensure HIPAA compliance.**

OPNS CQ Scorecards

OPNS CQ Scorecards will now be published on the first weekday of each month. Please put this on your calendar to pick up your CQ Scorecards monthly!

These Scorecards now include BCBS, BCN, HAP, Meridian, and Priority!

OPNS Unmet Measure Reports

OPNS Unmet Measure Reports will begin publishing again this month. Keep an eye on the notifications tab on Physician Direct Focus so that you know when they are published!

Access is rigorously monitored for 2018 Informatics Incentive. Monthly reports are being generated and sent to office managers to track progress.

Unmet Measure Reports are monitored for access within 30 days of posting.

ADT Reports are monitored for access within 7 days of posting.

Please notify the Informatics Team at OPNS if you need any additional help.
