

Closing Eligible HEDIS Gaps for Measurement Year 2020

The deadline is February 28, 2021 to close the eligible HEDIS gaps below for measurement year 2020 via the provider portal.

- Breast cancer screening
- Cervical cancer screening
- Colorectal cancer screening
- Diabetic eye exam

Note: If your system uses a regular supplemental data feed, the deadline is March 31, 2021.

You can submit data online including for PPO members not assigned to a PCP.

Here are the steps for submitting data via the provider portal.

1. Log in at **hap.org**; select *HEDIS & HCC Program*.
2. Enter the *Member ID*; click *Search* (Note: For a list of all your patients, select *Click here to view your HCC/HEDIS Gaps Panel Management Report*).

Member ID
[Click here to view your HCC/HEDIS Gaps Panel Management Report](#)

3. Scroll down to *HEDIS Gaps as of <Month-Year>* section.
4. Click in the box next to the gap to be closed; click *Update*.

HEDIS Gaps as of May-20
Measures (gaps) listed as eligible for data submission can be closed without the need to submit a medical record.

Select	Description	Data Submission Status	Measure Code	Stars Measure
