Title: **Updates to the Healthy Michigan Plan Health Risk Assessment**

Posting date: **February 17, 2022**

Effective March 1, 2022, Blue Cross Complete will increase the incentive for Healthy Michigan Health Risk Assessment forms from the Michigan Department of Health and Human Services from \$15 each to \$25.

To receive reimbursement, claims must be submitted with CPT code 96160* and modifier 25 to indicate that a health risk assessment was completed. Blue Cross Complete will pay the \$25 incentive upon receipt of the claim.

To help facilitate auto-approval of claims, please hold billing health risk assessments until April 1, 2022.

As a reminder, providers have alternative ways to submit the completed HRA form. In addition to submitting to Blue Cross Complete, providers can now submit HRA forms to MDHHS by fax to 1-855-287-7886 or through direct data entry into CHAMPS within five business days of the member's appointment.

To access the updated HRA form visit: mibluccrosscomplete.com/providers.

We appreciate your continued support and commitment to the care of our members. If you have questions, contact your Blue Cross Complete provider account executive or call Provider Inquiry at **1-888-312-5713** for the status of a Health Risk Assessment.
